**MEMORANDUM FOR: The Record**

**SUBJECT** : [REDACTED] (deceased) 25X1A

**REFERENCE** : Memo from C/FE to DD/S, SSA Subject,  
Request for Write Off of Funds in Connection  
with Estate of [REDACTED] dated 25X1A  
11 May 1955

1. In a telephone conversation on this date between [REDACTED] 25X1A  
[REDACTED] and the Undersigned, [REDACTED] 25X1A  
advised that he had received from [REDACTED] a check 25X1A  
amounting to \$1,789.43 in settlement of property interests in Mr.  
25X1A [REDACTED] name in [REDACTED] This Agency property was held by 25X1A  
25X1A [REDACTED] in his name for security reasons.

2. It is noted that the above amount is less than the dollar  
equivalent previously estimated by [REDACTED] In addition, Mr. 25X1A  
25X1A [REDACTED] informed the Undersigned that his prior estimate of the court  
costs involved in the administration of [REDACTED] estate in the 25X1A  
District of Columbia was high. These costs will amount to \$120  
rather than the estimated \$190.

3. Reference memorandum states that CIA owes [REDACTED] 25X1A  
the sum of \$1,176.05. It also authorizes write-off of the court costs  
to [REDACTED] in liquidating these assets for the Agency. From  
these figures it was determined that by deducting the amount which  
CIA owed [REDACTED] and also deducting the \$120 in court costs  
25X1A from the \$1,789.43, received from [REDACTED] there exists a 25X1A  
balance of \$493.38 which [REDACTED] should pay CIA in final  
settlement of these charges. 25X1A

4. [REDACTED] indicated that he would contact [REDACTED] to ascertain if she is in a position to pay this amount at this time (the court requires that a period of six months pass before any sums may be paid from the [REDACTED] settlement). If payment is feasible at this time, [REDACTED] will obtain a check for \$493.38 payable to [REDACTED] and send it to the Undersigned.

5. Upon the resolution of the above, all known financial obligations in this case will have been settled.
